**Scottsdale Home Remodeling Contractor, Republic West, Adds Experienced Designer to Their Team.**

Scottsdale, AZ. July 21, 2010 –Scottsdale home remodeling, Republic West, is pleased to announce the addition of a new designer to their already successful Design-Build Team.

“Republic West is very excited about the addition of Jacque Richardson to our design-build division,” said Linda Zimmerman, co-owner of Republic West. “We are adding nearly 20 years of experience to our design team and will be better suited to give each and every client the attention they deserve in a timely manner.”

With the addition of this new team member, Republic West is now even better suited to take on high-end, complex construction and home remodeling jobs. Republic West’s design team and an Operational Team that is equaled by none will help Republic West lead the way in home remodeling and design-build projects in the 21<sup>st</sup> century.

**Jacque Richardson** brings to Republic West her energy, enthusiasm and a well-defined sense of style to say nothing of her 16 years experience in remodeling and interior design. A native of Minnesota, Jacque moved to Arizona in 1982 to attend Arizona State University; and falling in love with the climate, she never returned to the snowy winters of the upper Midwest.

Being an entrepreneur by nature, Jacque built on experience gained in the high-end furniture industry by creating Encore Interiors in 1999. At Encore Jacque developed a reputation for excellence, focusing on what she calls a “whole picture” concept. That is, Jacque spends time getting to know her clients in order to gain a complete understanding of their design preferences. In this way she is able to “bring their visions to life.”

Jacque and her husband enjoy watching their son play sports and an occasional tropical island getaway. Jacque is thrilled to bring her expertise to Republic West and their clients.

Republic West has received many awards since their inception in 1995, including 7 Contractor of the Year design awards and 3 Better Business Bureau ethics awards. In an industry where many contractors are lucky to receive any accolades at all, the professional community speaks volumes about Republic West and what a great company they are to do business with. Of 15,000+ happy Republic West clients, 52% of them come from referrals or clients who hire them to do more work.
